Re: Continuing Professional Competency(CPC)  
Credit Provider

Dear Mr. Gedron:

The New Jersey State Board of Professional Engineers and Land Surveyors (“Board”) is in receipt of your request for approval as a provider of Continuing Professional Competency (“CPC”) courses for New Jersey Professional Engineers pursuant to N.J.A.C. 13:40-13. 5(a).

The Board has reviewed your application and approved your company, Continuing Education & Development, Inc., as a provider to offer courses for CPC credits. The approval number for Continuing Education & Development, Inc. is 24GP000004100.

The issuance of a Board approved provider number is not to be deemed an approval of the courses offered by Continuing Education & Development, Inc.. The CPC credit provider number only signifies approval of Continuing Education & Development, Inc. as a company authorized by the Board to offer courses for Professional Engineer CPC credits. You are required to be in full compliance with the Board’s regulations. (See N.J.A.C. 13:40-13 et. seq. attached hereto). If discovered during the audit process that you have not complied with the Board’s regulations or directives your approval may be revoked.

The Board of Professional Engineers and Land Surveyors thanks you for your interest in the New Jersey Professional Continuing Professional Competency Program. A list of providers/sponsors will soon be generated and posted on the Board’s website [www.njconsumeraffairs.gov/pels](http://www.njconsumeraffairs.gov/pels).

Very truly yours,

Karl W. Reidel  
Executive Director
